

HandiSolutions, Inc. has upgraded the functionality of our current hook accessory line by creating the Snap Hook Series.

These durable hooks, available in 1", 4", 6" and 8" lengths, actually snap into the HandiWall™ in a similar fashion as our other accessories. Now, these hooks stay in place, and are less likely to move when placing or removing an item from them.

Available in packages of 100, the product line illustrates an improvement over previous versions while keeping economics in mind.

- HSH01SH 1" Snap Hook
- HSH04SH 4" Snap Hook (not shown in pictures)
- HSH06SH 6" Snap Hook
- HSH08SH 8" Snap Hook
